SAMMIE AND LES are quite typical of the hundreds of students who meet and chat at their lockers each day. Springfield students are noted for their friendliness.

DATES, BASKETBALL, and, yes, even studies are the favorite topics discussed by nearly a thousand students who eat their lunches in the spacious cafeteria.

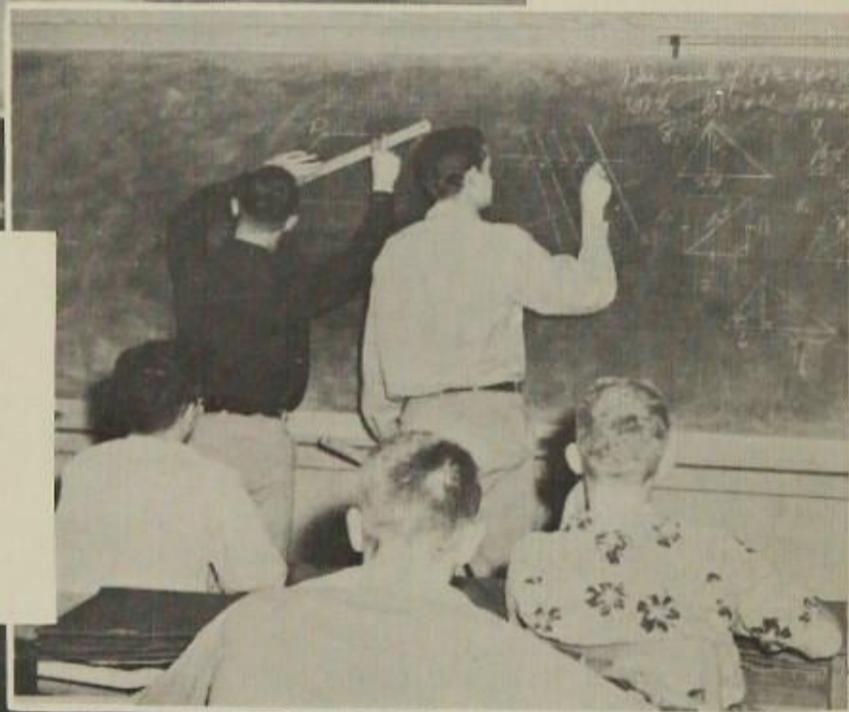

THE STUDENT STORE not only trains students in the management and operation of a business, but it is also a favorite place to chat with friends while being refreshed with a "coke."

MUCH OF OUR WORK requires skilled hands as well as trained minds, and our school provides many courses that prepare students for jobs after graduation. Woodworking, Mechanical Drawing, and Stenography are only three of the many subjects provided for us. These classes are very popular with those who do not plan to go to college, but plan to get jobs in the many businesses and industries in and around Springfield.

Yes, it's hard to believe that four years have passed since these graduating seniors first set foot in old Springfield High. At first they felt uncertain and lost in their new surroundings, but as they became acquainted with the upper classmen, the campus, the teachers, and each other, life took on a different light, and their paths to school days of new adventures and happiness were begun. Throughout their high school days, the members of this class have been leaders and have been successful in everything they set out to do. In addition to athletics, publications, and student body committees, they have participated in many special, social, and entertainment functions.

Now, four years later, when it is time to say good-by, they look back and remember days of class rooms and studies, fun, companionship, and countless moments that will always make those years the best, the fullest, and happiest of their lives.

Many events highlighted the year for the junior class. Which event will remain clearest in the memories of the class? Some will remember the evening when glamorous Mavis Henry represented the class in the Royal Court at the close of the carnival. Many will remember the hours of work and fun building the fun house.

Others will remember the class play, "Great Caesar's Ghost", directed by Miss Garrow. Few will forget the Prom in May, when the efforts of the whole class were united to make the evening successful in every way.

The year may draw to a close, but the memories of a happy year will remain.

THE CLASS OF 255 Sophomores had an enjoyable year working under their council composed of Tom Willoughby, President; Donnie Williams, Treasurer; Earl Jaques, Social Promoter; Grant Mortenson, Adviser; Carol Briggs, Vice President; Gwen Fried, Social Promoter; and Julia Bean, Secretary.

THIS YEAR the Sophomores quickly found themselves involved in the various activities of school life—in classes, in organizations, on the athletic field, and in activities.

At the carnival in November the Sophomore booth placed first in competition with the other classes and organizations. The prize-winning booth was unusual because of the large realistic face and the many turkey feathers in its headdress. The Indian's face, including headdress, measured eight by twelve feet.

Students and even teachers were amazed at the results of the class' hard work. On the carnival committee were Gwen Fried, Neatha Collins, Julia Bean, Earl Jaques, Tom Bourgeois, and Donnie Williams.

The Sophomores caused a deal of worry to the Seniors when they campaigned vigorously for their princess. Although she did not win, Janice Ward was a charming candidate.

These students served as officers of the class: Mrs. Claypool, adviser; Lona Felkner, treasurer; Patty Squires, secretary; Jerri Ardinger, social promoter; Barbara Colvin, vice-president; Bill Berg, president.

QUE TAL AMIGOS. Como estan ustedes? Otherwise, "Hi kids! How's everything?" We're here to try to promote better understanding with our Southern neighbors by having parties, Spanish dinners, learning Spanish dances, and most of all, understanding the Spanish language. We feel that we can do a lot to help relations with our Spanish American friends just by doing these things and it is very interesting for us, too. Hasta la vista!

Latin Club "Inter Nos"

"AMONG OURSELVES," is the name chosen for the newly organized Latin Club. The members are Latin students interested in increasing their knowledge of the art, architecture, customs and costumes of the ancient Romans.

For their pot luck the first meeting this year, the members came dressed in the accepted Ro-

man style. The menu, "ab ovo ad mala," our equivalent of "from soup to nuts," consisted of fish, eggs, dried fruit, fresh fruit, and nuts. The meal was eaten from a low table while the guests reclined on pillows.

The club has no fixed meeting time and meets when there is a time convenient to all members.

THE PURPOSE of this activity is to operate projectors for noon movies and class rooms, and to operate public address system for assemblies. A Newcomb turn table, a tape recorder, and two 16 mm movie projectors are just a few of the many machines they operate.

Servitors

THE SERVITORS' CLUB has been active in helping at most athletic events this school year and also at some other school functions.

The small group of boys who make up the Servitors worked at all of the football games, running the score board and caring for the ropes around the field. They also checked tickets at the basketball games.

The Servitors help put up and take down the hobby show. They also help supervise the annual music festival for the grade schools of the district.

Pi Epsilon

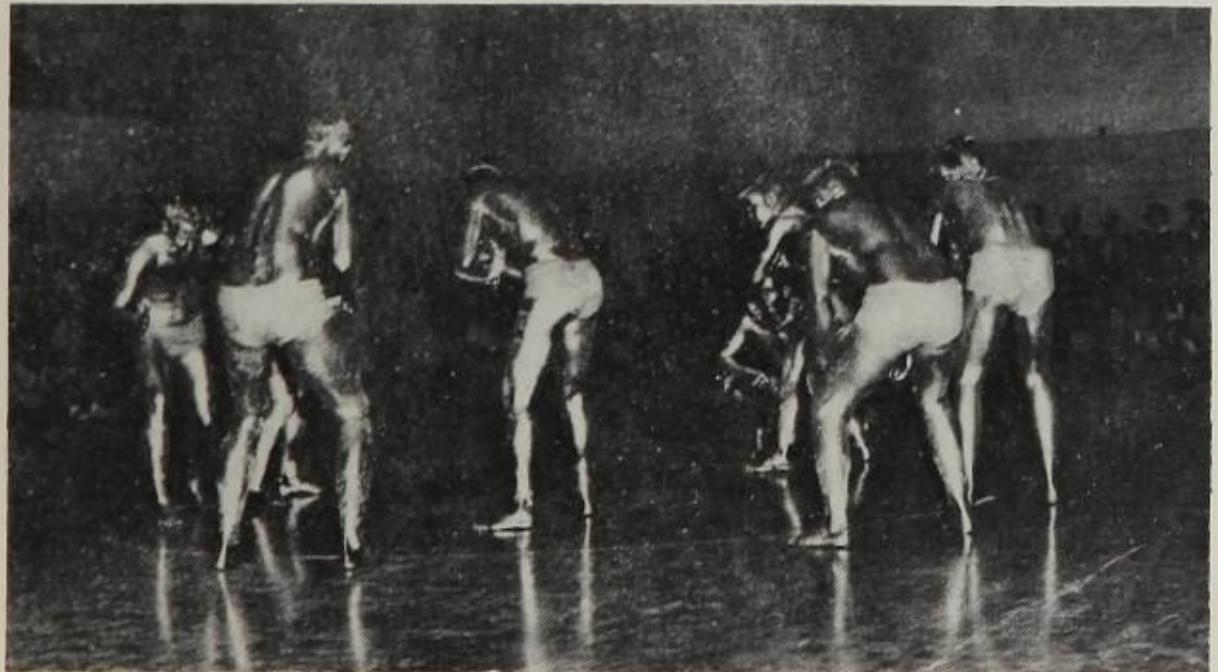

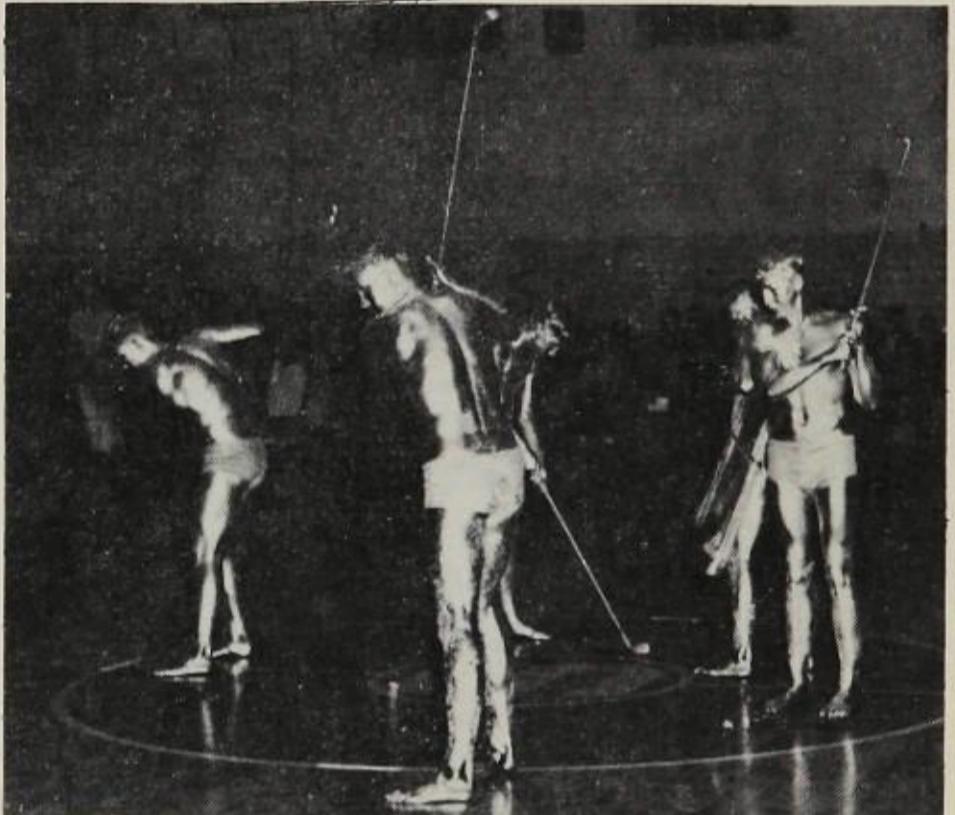

BOYS WHO EXCEL in Physical Education Activities, such as high jump, mile run, rope climbing, broad jump, 100 yard dash, shot put, and other activities which require endurance, speed, strength, and agility make up the Pi Epsilon Club.

There have been very few boys who could pass all of the requirements, and during the club's existence of five years there have been only seventeen members.

The main event of the year was the annual Physical Education Festival. These boys could be seen as bronze statues in poses of golf, softball, track, tennis, and other sports. The poses were made in complete darkness; when the spotlights were turned on, the special type of paint gave the effect of real statues.

In the coming years, the Pi Epsilon members are going to build up a boys' tumbling team much like the present-day girls' tumbling team.

Below are a few of the many strokes and positions found in the game of golf.

EACH MONDAY NOON in the Little Theater, a joyful group may be heard singing praises, choruses, and praying together as one of many denominations.

The programs presented by the group were varied. Pastors, missionaries, evangelists, school teachers, and business men were on the lists as speakers. Exchange meetings with

Eugene High and University High were on the schedule. Several meetings including talent from their own group and special outside talent added to the variety.

Assemblies such as the Eureka Jubilee Singers were sponsored by the club for the Student Body.

Paletteers

WEEKS BEFORE ANY SCHOOL OCCASION, you will see in the Art room students, anxious to earn points toward their pin, stooped over or squatting on the floor slopping paint on the enormous street sign to be hung downtown for advertising purposes of school events.

The Paletteers organized several years ago around a serv-

ice program to work with art for campaigns, other organizations, plays and other presentations. Other than service, the club members study and experiment with art. A new project, ceramics, was introduced this year to the Paletteers. The members mix work with play at the potlucks and informal gatherings in which they participate.

Honor

THE HONOR SOCIETY is a national organization consisting of juniors and seniors who are in the upper third of their class. They are chosen by a faculty committee for being outstanding in four fields: scholarship, leadership, character, and service. Some of the activities are to help faculty members, meet new students, give active support to drives sponsored by the school, and keep up the covered bulletin board near the front entrance to the building. The highlights of this year were the initiation held for Junction City, the annual banquet and initiation held April 27, and the field trip to Salem.

Act Your Part Well.

THIS IS THE MOTTO which the members of this society follow. There are two main aims of the society. These are (1) "to establish and advance standards of excellence in all phases of dramatic arts" and (2) "to create an active and intelligent interest in dramatic arts among boys and girls in the high schools."

The society was established early in the spring of 1929 at Fairmont State College, Fairmont, West Virginia, by a group of interested teachers who wanted to improve dramatic arts in the secondary schools.

Springfield Girls' Athletic Association

Here is one of the many sports that the girls partake in—a game of Badminton.

An after school activity for the G.A.A.—a hard game of bowling to tighten the muscles.

An intramural championship game earns the girls part of their needed points.

Ethel Lee, business manager, Marilyn Norgard, treasurer, Julia Duval, secretary, Miji Ellison, president, Darlene Beleke, vice-president, Ramona Howard, social promoter.

THE PURPOSE of the Girls' Athletic Association is to promote sportsmanship, physical efficiency, athletic accomplishments, and efforts of health among the girls.

The girls strive for this by having their many activities, such as the annual camping trip, skating parties, fun nights, ski trips, bowling parties, competition with G.A.A. Clubs of Eugene Schools and the highlight of the year, the informal initiation.

This year the club opened its membership to any girl in school who had earned 50 points by participation in intramurals. The members must earn at least 40 points a year and participate in 75 per cent of the club's activities to remain in the club.

THE QUESTION, "PROGRAM, SIR?" introduces anyone of the gracious girls who ushered for the school plays, concerts and the P. E. Festival.

The Usherettes consist of thirty-two girls chosen on the basis of dependability, appearance, poise, personality, scholarship and willingness to serve their Alma Mater.

The service organization had its inception in the fall of 1945 and the first constitution was adopted in November. To better meet

the needs of an alert organization in a progressive, expanding school, a new constitution was drafted and adopted this year.

The social activities for the year are an initiation dinner in the fall and in the spring a farewell picnic.

Tri-Y

LIVING their motto, "That We Fail Not Man Nor Thee," the Tri-Y members planned a varied, useful, and enjoyable schedule for the year 1952-53.

Under the most capable leadership of the President, Joan Passmore, and the members of the council, all the meetings were planned at an early fall get-together held in the adviser's home.

The year's work was centered about three main divisions which formed the motto: community and world service, service toward our school, strengthening and guidance of the members toward personal fellowship, and fellowship toward God.

The Tri-Y's took part in world fellowship by adopting a ten year old German girl, Ludmilla Boibatschenko. Gifts and clothing were sent to her at Christmas and Easter, in addition to the fifteen dollars sent each month by the joint clubs of the

Tri-Y

Y-Teens and Hi-Y members. Community citizenship offered many chances to serve, by giving a box of food to a worthy family at Christmas, caroling to shut-ins, and by giving the annual scholarship to a senior girl in the spring.

Activities within the club included the Ceremonial; Pa, Ma, and Me Potluck; a Christmas party; Festival of Nations; cake and tart sales, the gardenia booth at the carnival; and participation in Midwinter Conference held in Corvallis.

The meetings have not only been interesting from the musical, dramatical, and other entertaining phases, but have been most instructive from the ideas of the varied and experienced group of speakers.

The beautiful service for the student body at Easter was a new project planned and conducted by the Tri-Y. It was one of the most successful ways to follow the motto, "That We Fail Not Man Nor Thee."

The Ceremonial is the service held for the recognition of new members.

Preppers

A FEW YEARS AGO a club was started in this school known as Preppers Y-Teen. This club is for freshmen and sophomore girls. Its members are also members of the world wide organization of women and girls known as the Y.W.C.A.

Their theme for this year is "That We Fail Not Man Nor Thee" and it simply means to help others in need.

The Preppers and Tri-Y started a new project this year. It is to send \$15.00 a month to a Ukrainian girl who lives in the American zone

This is half of the Prepper council which consists of Joan Shoemaker, Edna Hale, Doris Masonhall, Mary Farris, Rita Zukurs, Kathy Miller, and Mary Gibson.

These girls help out by packing a box to be sent to their adopted orphan.

in Germany. Her name was obtained through a United Nations Agency. The Hi-Y club also joins in this project.

Some of the colorful events of the year are as follows: The Candle Light Ceremonial at the first of the year to welcome new members to the clubs, a hobby show in April, which is open to everyone in the schools and community, a Pa-Ma-Me Party at the beginning of the year which is very entertaining for those who participate.

Future Homemakers of America

THE SPRINGFIELD CHAPTER OF THE FUTURE HOMEMAKERS OF AMERICA is a member of both the state and national associations. The only requirement is that the girls are either taking Homemaking or have taken it. The activities of the organization are concerned with the development of the girls both socially and for better home

living. Each member is encouraged to participate in activities and is given an opportunity to plan and take part in a meeting.

Field trips were high on the list of activities. A trip through the Weyerhaeuser saw and plywood mills, a trip through Williams Bakery and the Coca Cola Bottling Company all gave the girls a better understanding of their community. At Christmas they brought food so a less fortunate family might have a little more. Parties are also important. The first event of a social nature was the candle light initiation to which guests were invited and light refreshments were served in the Home Economics living room. "Daddy Date Night" is a very special spring event looked forward to by both girls and "Daddies."

Patsy Bowman and Linda Anderson were the girls elected to go to the State Convention at Oregon State College in March.

This year's officers were Leona Johns, historian; Dorris Whitted, president; Joan Cothrell, secretary; and Lois Litterick, treasurer.

Girls' League

With a membership which includes every girl registered at Springfield High, the Girls' League has more than kept its 600 members entertained and busy with a host of activities including social events, service projects, conferences and services to individual girls.

Traditional social events included the Big and Little Sister party which began with a pot luck supper and ended with a style show, frolic, and dancing in the gym, a winter party, Frosty Fantasy; Merry Maids of March at which girls entertained their mothers and women friends with original skits, costume parade and refreshments; teas; Print and Cord dance sponsored jointly with Boys' Alliance, and a gala Senior breakfast at which time a cup is always awarded to

the girl voted by all girls and women teachers to be most outstanding. The Girls' League Scholarship and other awards are also made at the breakfast.

Service was given in a number of projects for community and Junior Red Cross and in maintaining a Lost and Found Department for students and a Girls' League room where sick girls are cared for and committee and council meetings held.

Girls' League meetings, held once a month, offered a variety of interesting programs both entertaining and instructive. Awards were made each month to girls selected as "Girls-of-the-month" for their cooperation, service, friendliness, citizenship, and other fine qualities.

THE FORTUNE TELLER, one of Victor Herbert's delightful operas, was presented May 7 and 8. It was directed by Mr. Ellefson and Mr. Van Zandt with the assistance of Eunice Gardner, Marvel Hart, Frank Light, Gene Slayter, and Mary Lou Watts.

The story of the opera takes place in the mythical land of Livonia, which is bankrupt. In order for Livonia to go until a loan is negotiated with the United States, "The kind you don't have to pay back," King Gustav has decreed that a lottery be held in honor of the Queen's lap dog, "Tessie." King Gustav is to win the lottery with Ticket No. 1,000,001; Count Berezowski, commandant of the secret police, is to win second place.

The Count, an old bachelor, becomes enamored of Irma, a dancer in the Royal Opera. The Count sends her a note on the first piece of paper that comes handy —lottery ticket 1,000,001. When Irma refuses to return the ticket, the Count contrives to marry her, for then her property becomes his. But the gypsies steal the ticket, and everything else they can get their hands on. From here on happenings come thick and fast.

Song of the Islands

A GRASS HUT and swaying palm trees on the beach of a South Sea island formed the setting of the Junior-Senior Prom on Friday evening, May 1. Music was furnished by Chuck Karsun and his orchestra.

Under the direction of Mrs. Betty Wall and co-chairmen Dick Porter and Diane Patterson, the committees worked many hours to stage this most impor-

tant event in the social calendar of the school year. Decorations were in charge of Arlene Gall and Pat Randle. Skip Squires and Bob Brown worked with construction, and Marlyce Sorenson was responsible for carrying out the theme in pretty gold programs. Nancy Dunnington was given the responsibility of publicity, and Diane Patterson and her committee served refreshments.

Concerts Feature Orchestra and Boys' Glee

THE ORCHESTRA is a musical organization of which our school and community can well be proud. It is a pleasing experience to hear the variety of music the group is capable of performing. Highlights of the music played this year were the "Overture to the Messiah," played at the Christmas concert; Joan Ingwerson's playing of "Prankish Pan" by Boernshein, for flute and string orchestra; and the annual musical production given during music week, Victor Herbert's comic operetta, "The Fortune Teller."

Choir and Glee Clubs Present Concerts

THE CHOIR is made up of the most outstanding singers in school. Good musicianship, as well as fine citizenship, is a "must." Membership is restricted to students who have come through the boys' and girls' glees, although in some instances exceptions are made. The A Cappella choir has the responsibility for most of the musical activities connected with the school. To list the activities would be too lengthy, but the most important were the Christmas and Easter programs, the winter concert, the operetta in the spring, contest, and graduation. The choir also sings at P. T. A., service clubs, civic functions, and local churches.

DURING THE YEAR the girls sang for the carnival and other school functions including graduation. They sing two and three part music and the aim is to improve their general musicianship. The girls had a major part in the operetta as ballet dancers and gypsies.

THE FUNCTION OF BOYS' GLEE is to train boys in the use of their voices and in music fundamentals. A grade average of "3" qualifies them for the A Cappella choir the following year. This year the boys learned many new songs including some barber-shop hatmony. They sang for some school functions and had an important part in the operetta.

The "Millers' Log" Staff

EACH YEAR a staff is selected whose task it is to edit and publish the Millers' Log. After the students plan and design the book, there follows the seemingly endless jobs of taking pictures, writing copy, drawing layout sheets, and

meeting deadlines. The reward for all this work comes in the spring when the Millers' Log is distributed to all of the students as a record of another year of school life.

Sentinel Staff

THE SPRINGFIELD SENTINEL is the official paper of the Springfield High School. It is published bi-monthly by the Newswriting class and printed by the Willamette Press of Springfield. Twenty students of this year's class gathered all the news, wrote the stories, drew up the dummies, wrote headlines, sold ads, and performed the many tasks necessary to put out a paper. Pat Ardinger, editor-in-chief, and Julia Duval, assistant editor, along with Richard

Nielsen and Clayton Curtis, co-sports editors, were the leaders of the staff, under the advisement of Mrs. Dorothy Adams.

Sigma Alpha Omega

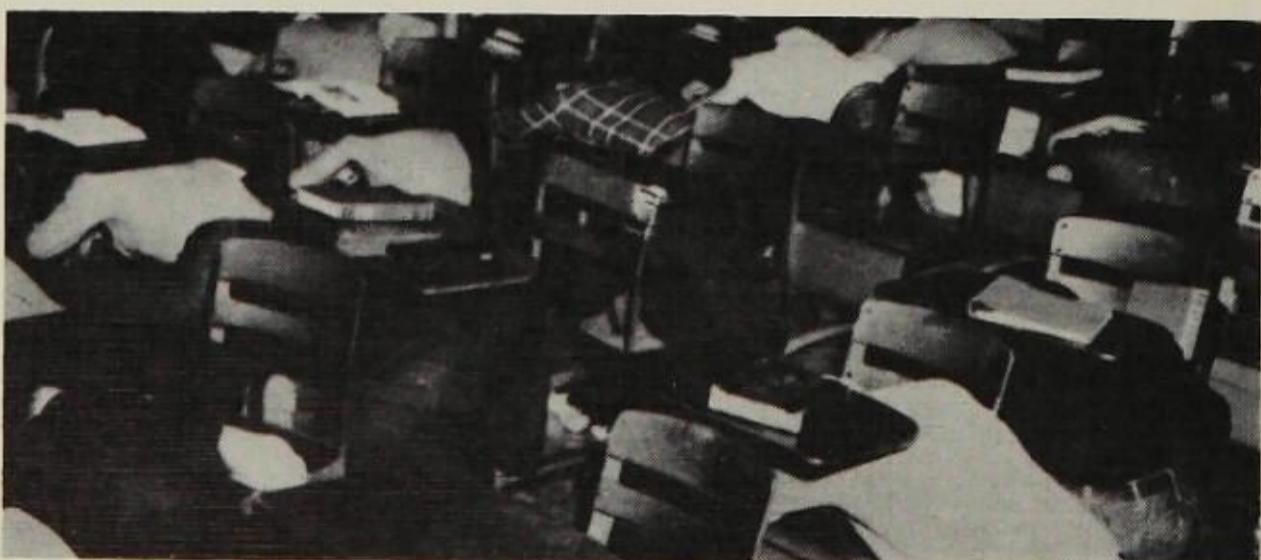

The Sigma Alpha Omega, formerly Associated Council, has worked long and hard on a number of worth-while projects including a pep rally to promote better sportsmanship, the "Perk Up and Pick Up" clean-up campaign, the Civil Defense preparedness, and a dance based on the gay nineties.

The organization was founded by a small group of seniors of the class of '52 under the leadership of Ann Norgard, first president, and Mrs. Stella Young, Adviser. Their purpose in organizing was to improve and help S. H. S. in every possible way and those ideals have been carried on by this year's members.

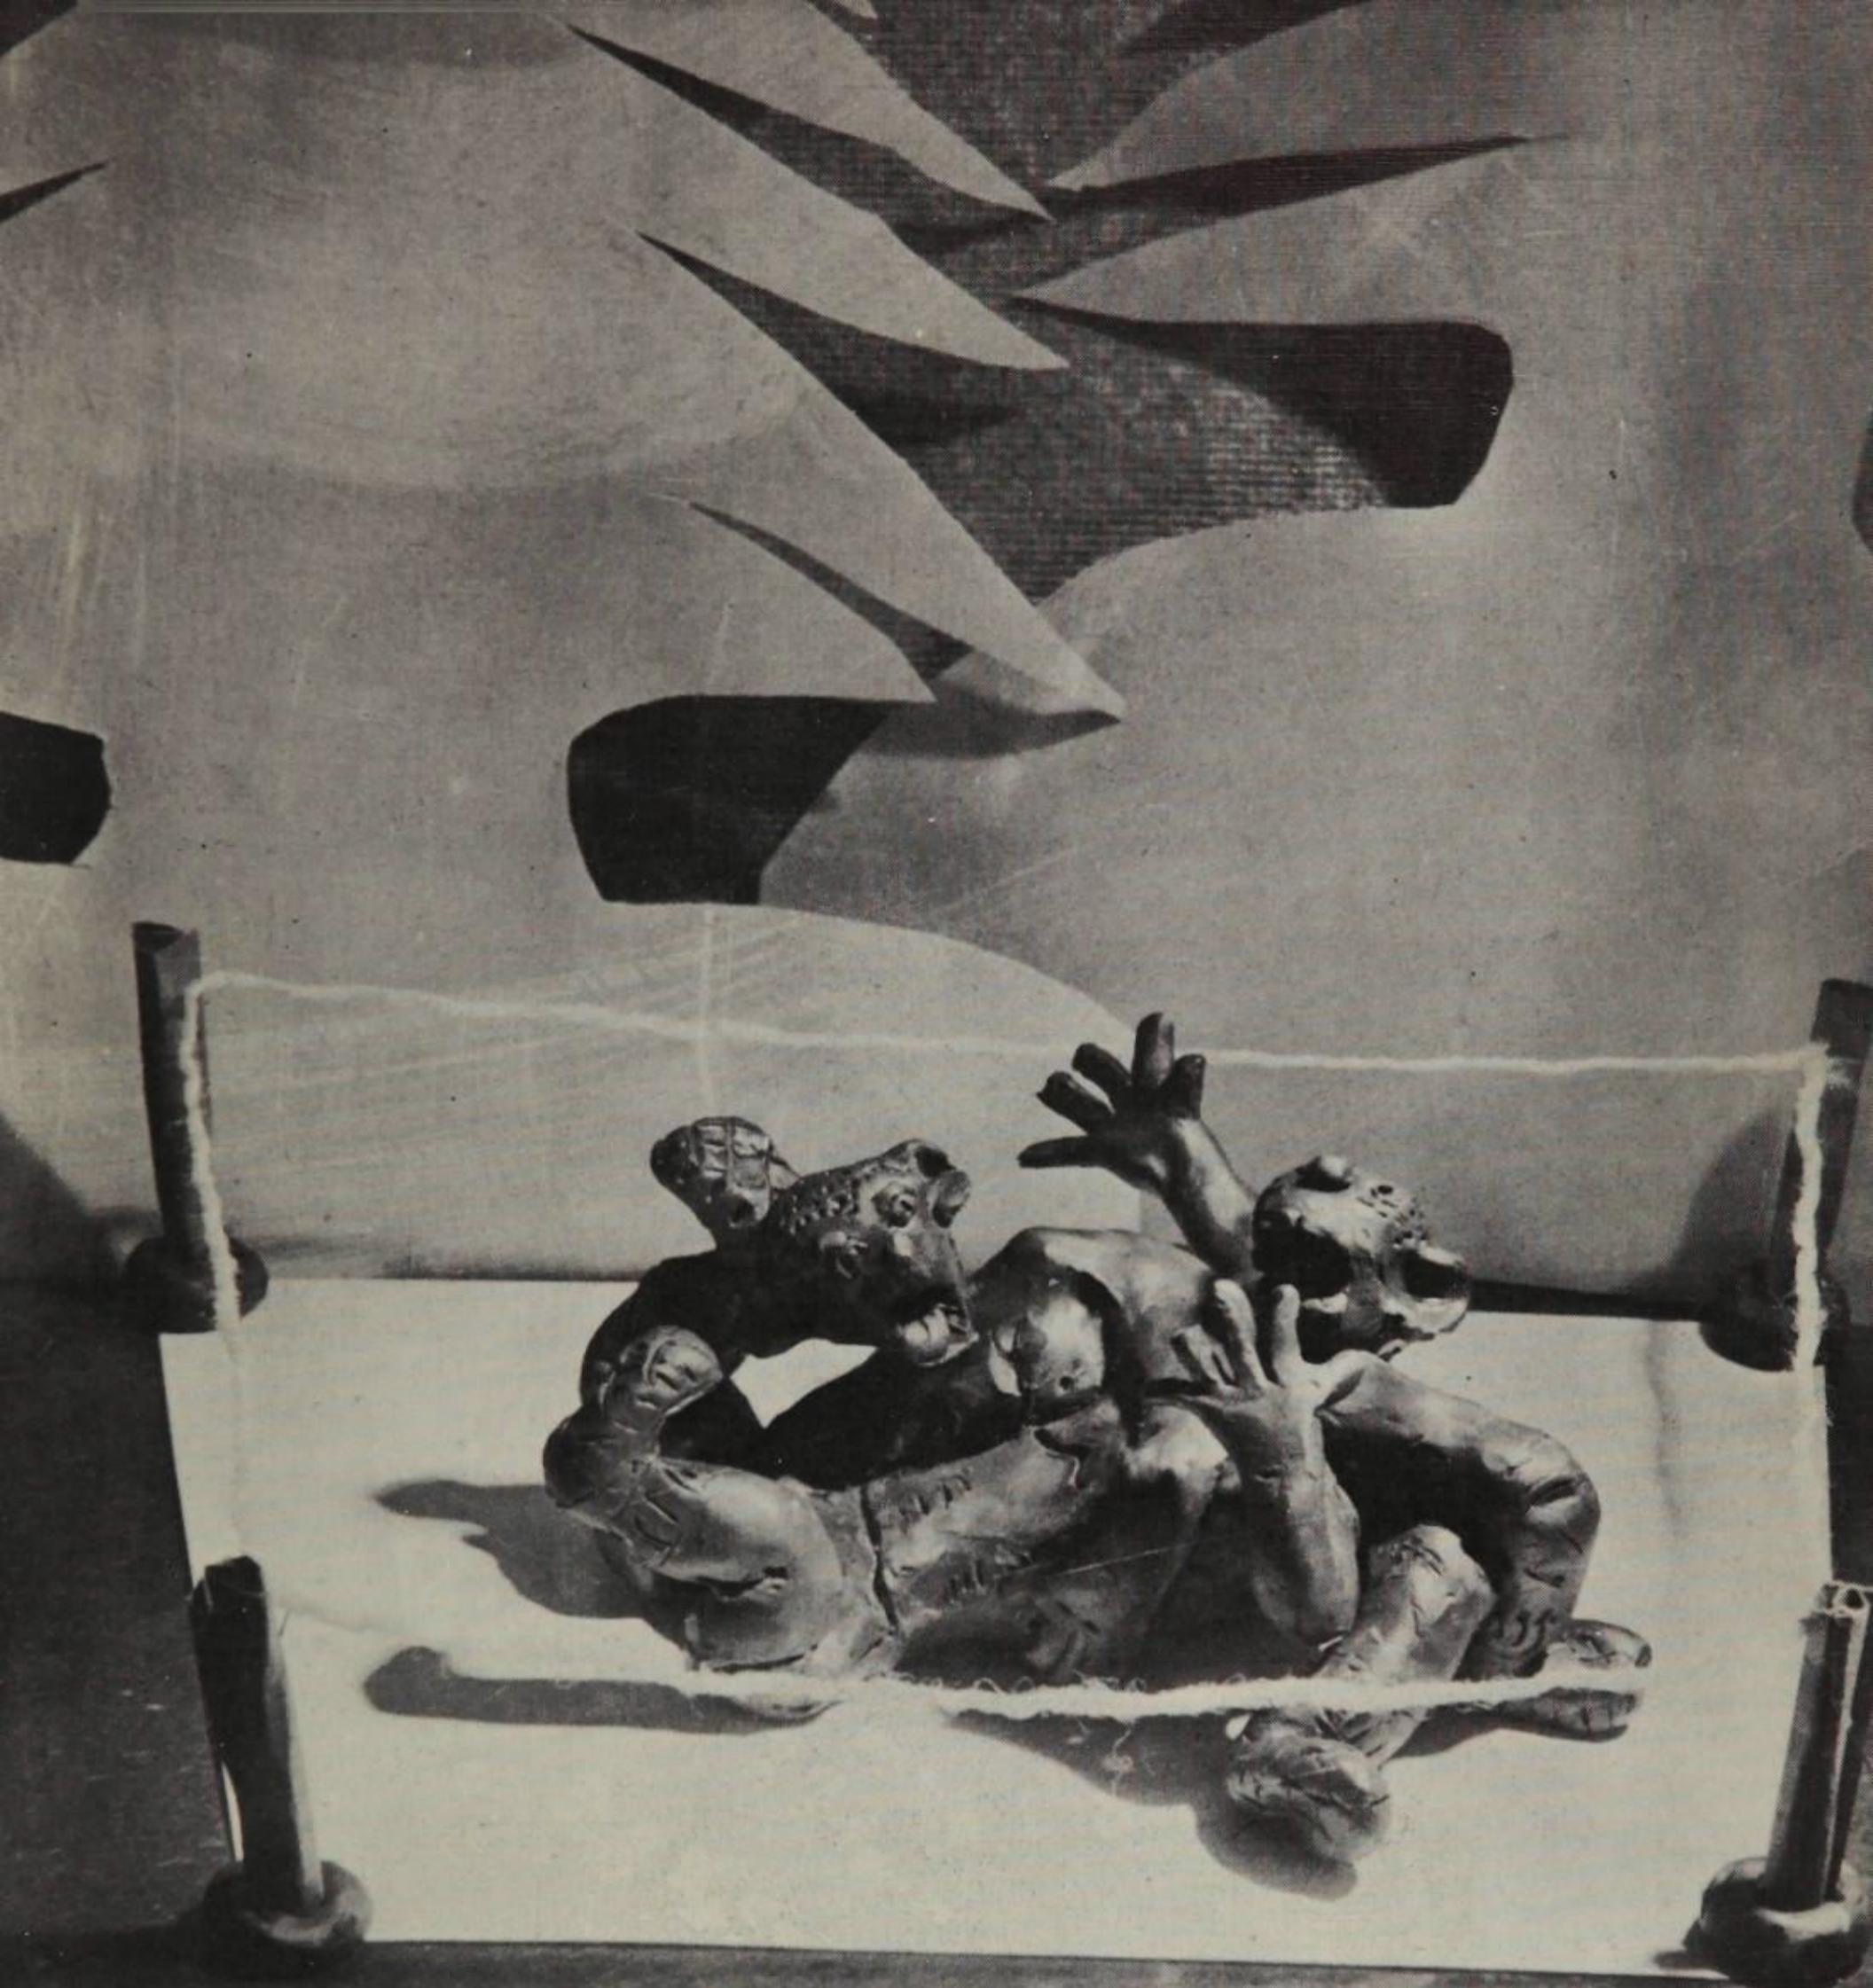

Officers of the club are Janice Rindahl, president Dale Dukes, vice-president; and Agnes Utecht, secretary. The twenty members are recommended from all four classes by the faculty and elected by the club on the basis of character, service, and scholarship. Beginning the second semester, three freshmen were chosen for membership. They are Patty Linscott, David Esgate, and Larry Jones.

The Miller Varsity football team had a successful season, rounding out an eight-game schedule with a record of four wins, three losses, and one tie. The season began with the Jamboree in Eugene, pitting the Millers against the Axeman of Eugene High.

The team progressed slowly, reaching their peak against Albany and Cottage Grove whom they defeated 31-7 and 43-7 respectively.

The district in which Springfield plays is regarded as being rough and tough. Four of the six teams in the district, Marshfield, North Bend, Eugene, and Springfield, were rated among the top fifteen in the state.

The seniors on the squad were all outstanding players as well as fine students. Floyd Burright received a great deal of recognition from opposing teams and coaches

and gained a position on the All-District eleven. Floyd was also honored by the Boosters when they selected him the outstanding football player of the season. Ken Kesey, playing outstanding ball in the Miller line, gained a berth on the All-District second team.

Coach George Zellick returned to Springfield this year after spending two years on active duty with the Marine Corps. He returned in time to work with several of the same boys he had had on the freshman squad. Ably assisting Mr. Zellick were Mr. Whitbeck, back-field coach, Mr. Parnell, line coach, and Mr. Clingman, who was also the freshman coach.

This year's team must have had winning on their minds and courage in their hearts because they really came through with a winning and courageous team.

Junior Varsity

Wins and losses are not the key to a Junior Varsity football record. The "spirit" with which the game is played and the "want to" are the indexes by which a successful or unsuccessful Jayvee football season is judged. The "B" squads are so titled because it means "Building"—the building of future teams.

Because of their tremendous spirit and love for football, the team this year can be termed a success. When boys like Frank Sheffold, Jim Miller, Les Pakulak, Jerry Cyphert, Norman Neilsen, Teddy Davis, Warren Dixon, Fred Manilla, Earl Jaques, and many others mature and grow, Springfield will have a team of champions.

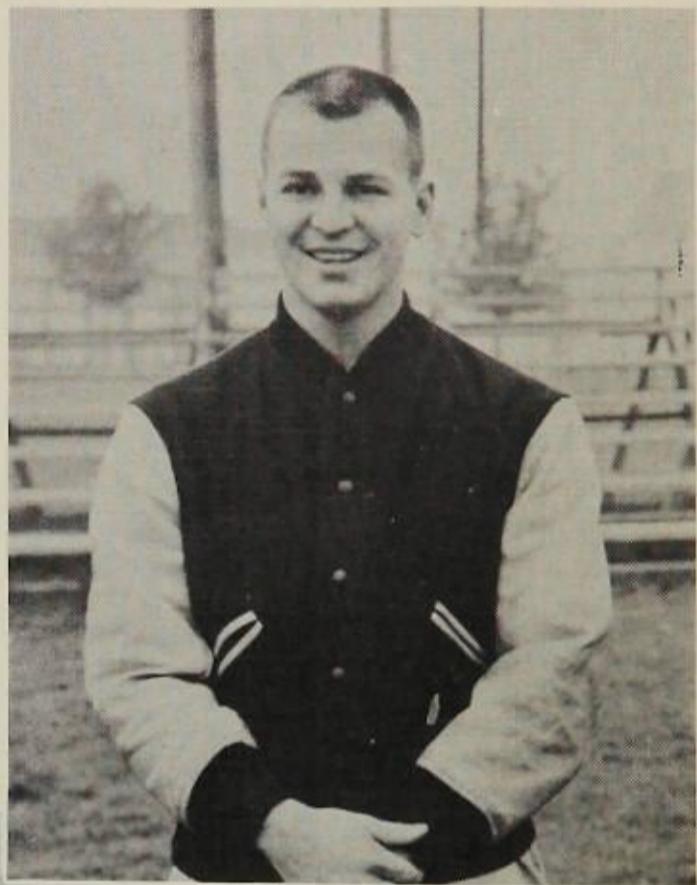

On the basis of this year's Junior Varsity football team, there are bright days ahead for the football fans of "Millerville."

Freshman Football

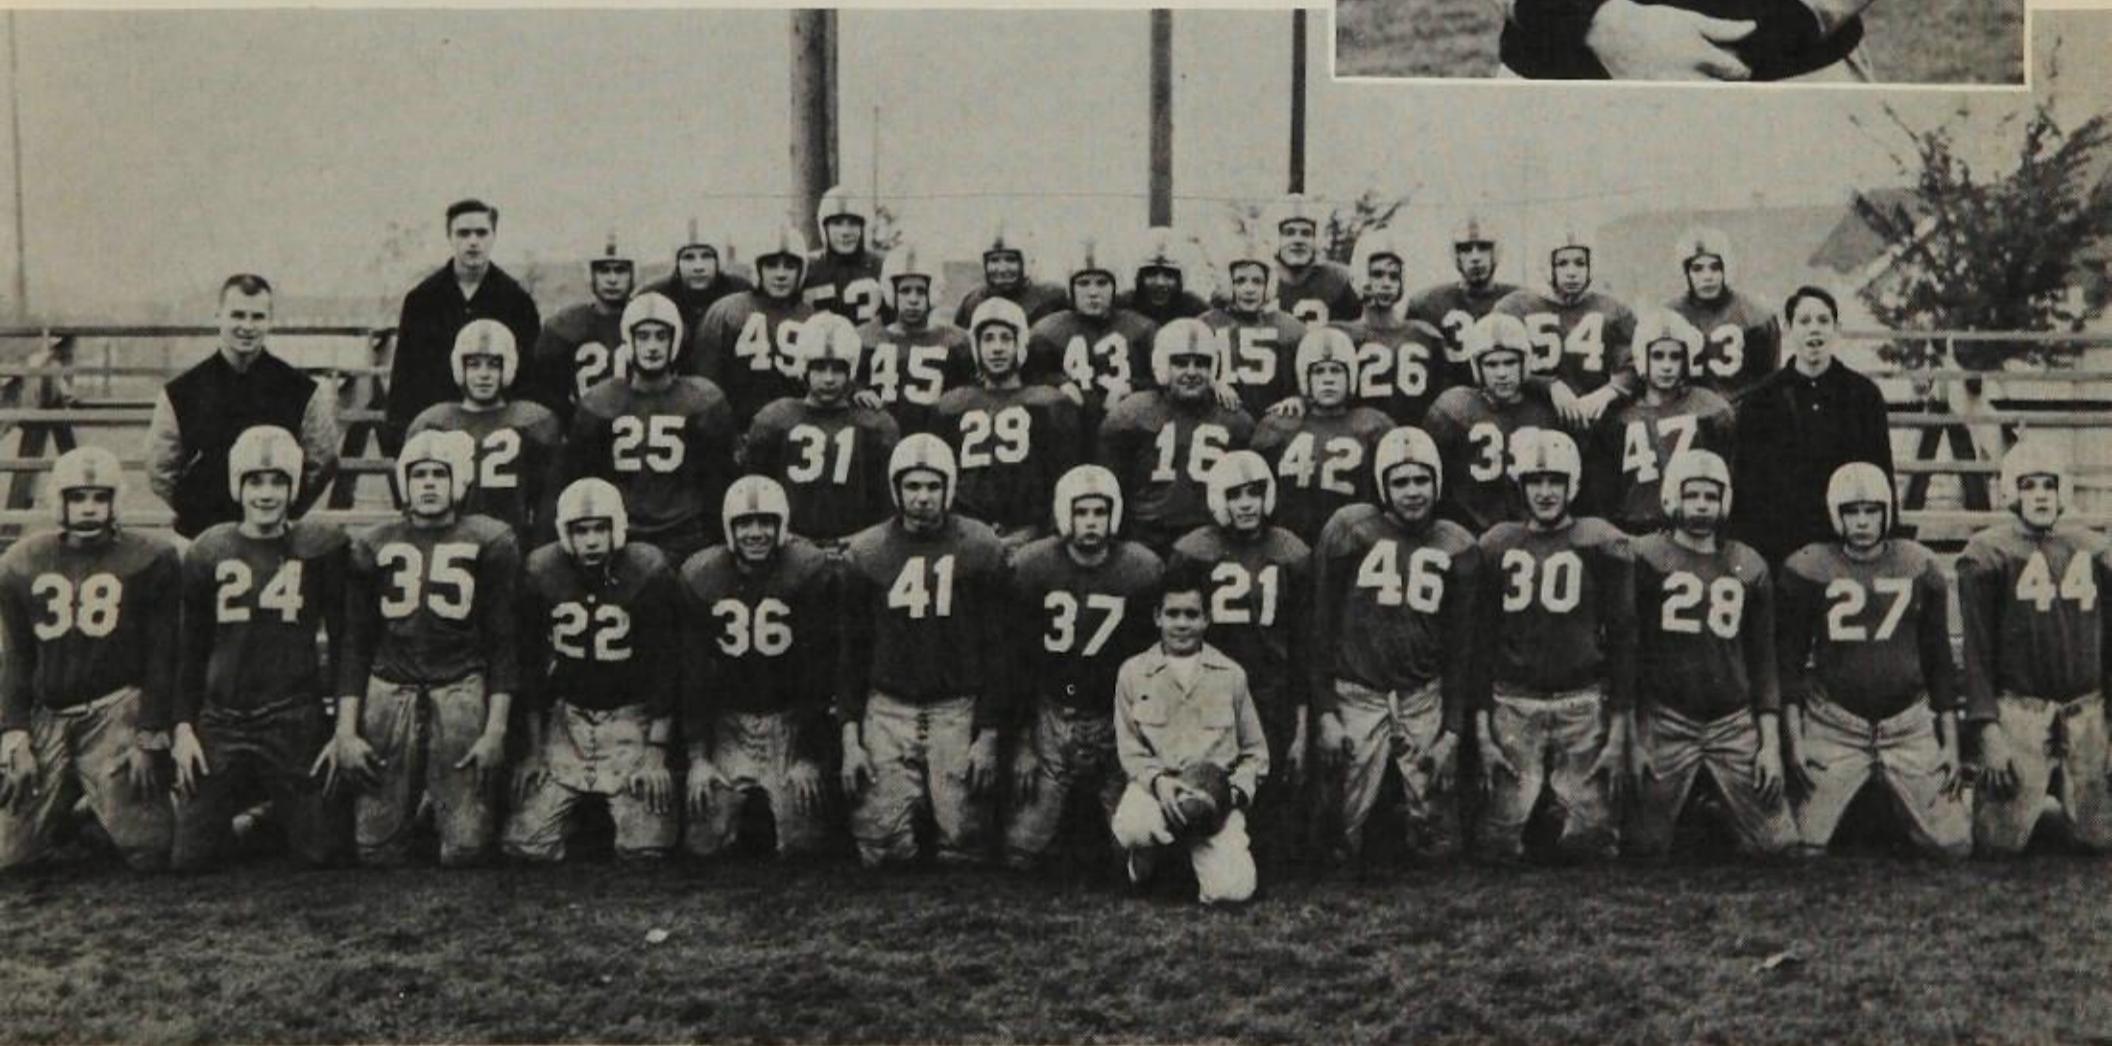

Coach "Bo-Bo" Clingman

Coach Bo Clingman led the freshmen through a successful season with a record of three wins and three losses.

The victories were decisive. They defeated Cottage Grove 13-0, Junction City 19-0, and Jr. High 19-0. Losses were suffered at the hands of Willamette 12-6, Albany 21-18, and Cottage Grove 6-0.

The freshmen are developing into Junior Varsity and Varsity squads, and it seems as though Springfield will continue to have good teams. Keep up the good work, boys!

Cagers Gain First Place Tie In

THE "CASABA" SQUAD had an outstanding season this year. The team was rated as one of the finest that has come out of Springfield high school, and it was one of the best teams in the state for the 1952-1953 season. In regular play, the squad won 17 and lost 5 games. In district tournament play, the Millers posted a win over Oakridge in the first game, but lost the next two games to the Eugene Axemen and the Oakridge Warriors in

close games. This gave them a season's record of 18 victories and 7 losses.

In Big Six play, the Millers won six out of ten games, which gave them a tie for first place in the league. For nine years, Springfield teams had been unable to defeat Salem, but this year the Vikings were overpowered on the Miller court 77 to 61. Other team victories were over such teams as Corvallis, Bend, Albany, North Bend, Cottage Grove and Oak-

ridge. In District 6 play during the season, the Millers finished in second place.

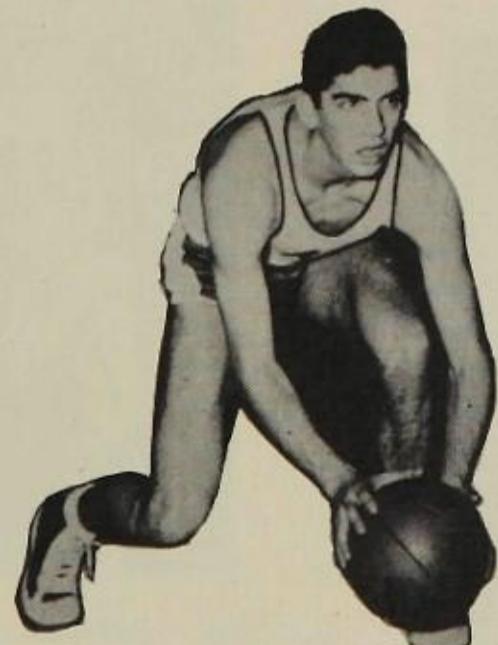

Individual play was as outstanding as was the team play. Jack Heacock was the leading rebound player of the league with 477 rebounds. His jump shots were effective in helping him score 403 points during the season. Floyd Burright scored 325 points. Bill Pakulak played a good floor game and was one of the leading scorers and rebound players. Bob Brown,

only junior on the starting five, was one of the team's outstanding competitors in all departments. Vaughn Willoughby, one of the team's most improved players, was an inspirational floor leader. Earl Coffelt, excellent shot and team player, did much to help win games for the Millers. Dewey Leavitt was one of the top 'clutch' ball players on the team. Adrian Ward, an inspirational senior reserve, helped to keep the team united throughout the year.

Also, a school record was set for the number of wins and league standings in the tough Big Six. The squad placed Jack Heacock and Bill Pakulak on the All-District team and Floyd Burright was chosen on the second team.

This year's basketball players, managers and coaches wish to thank everyone for their loyal support.

THE SPRINGFIELD HIGH SCHOOL JUNIOR VARSITY TEAM enjoyed a very successful year in winning seventeen games and losing only three games. The boys recorded two wins over Eugene and defeated Salem once.

Leading the scoring this year were Skip Squires, Tom Bourgeois, Denny Sperry, and Les Pakulak. Leading rebounders were Bourgeois, Whittington, and Pakulak.

All of these boys will be back, and they will be a good nucleus for the team next year. The Junior Varsity had fine team spirit and a determination to win at all times.

Sophomore Basketball

THE SOPHOMORE SQUAD, although playing only two games, worked hard all season with only one thought in mind, that of building a better varsity. These boys got very little credit and did a lot of work.

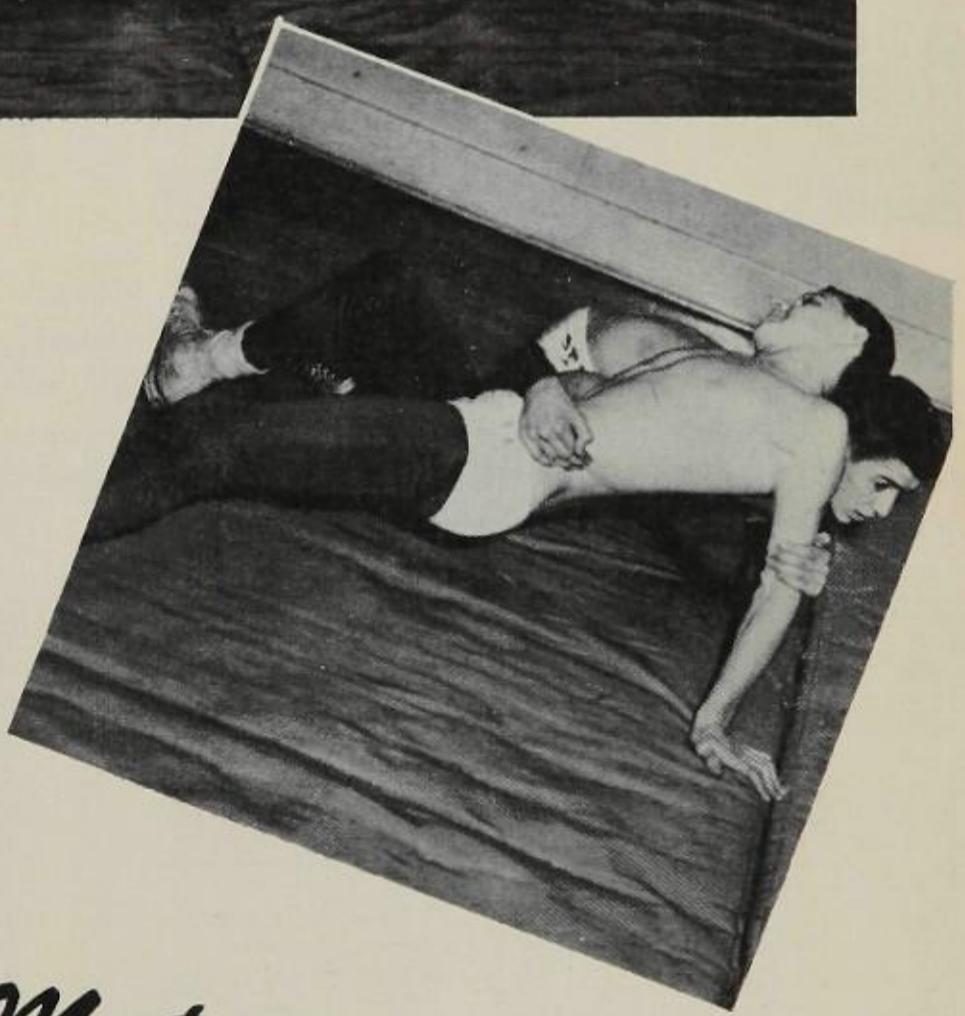

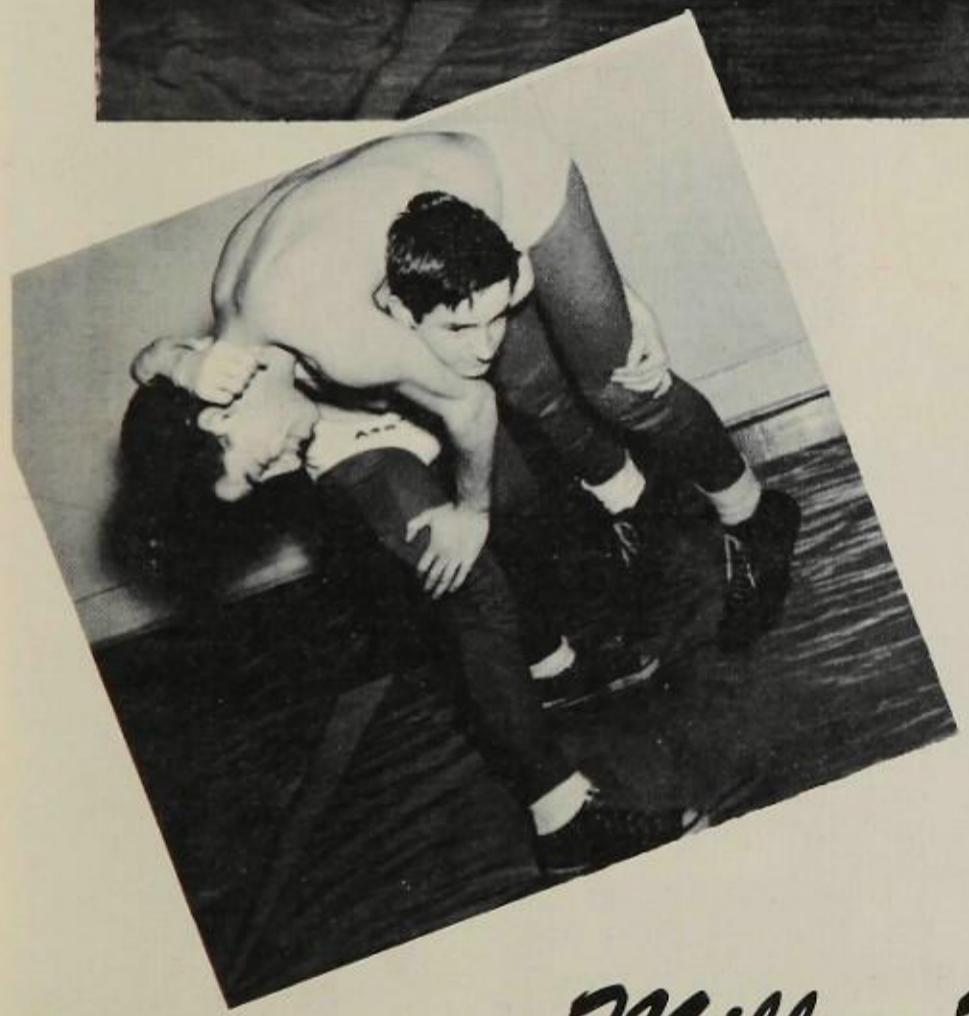

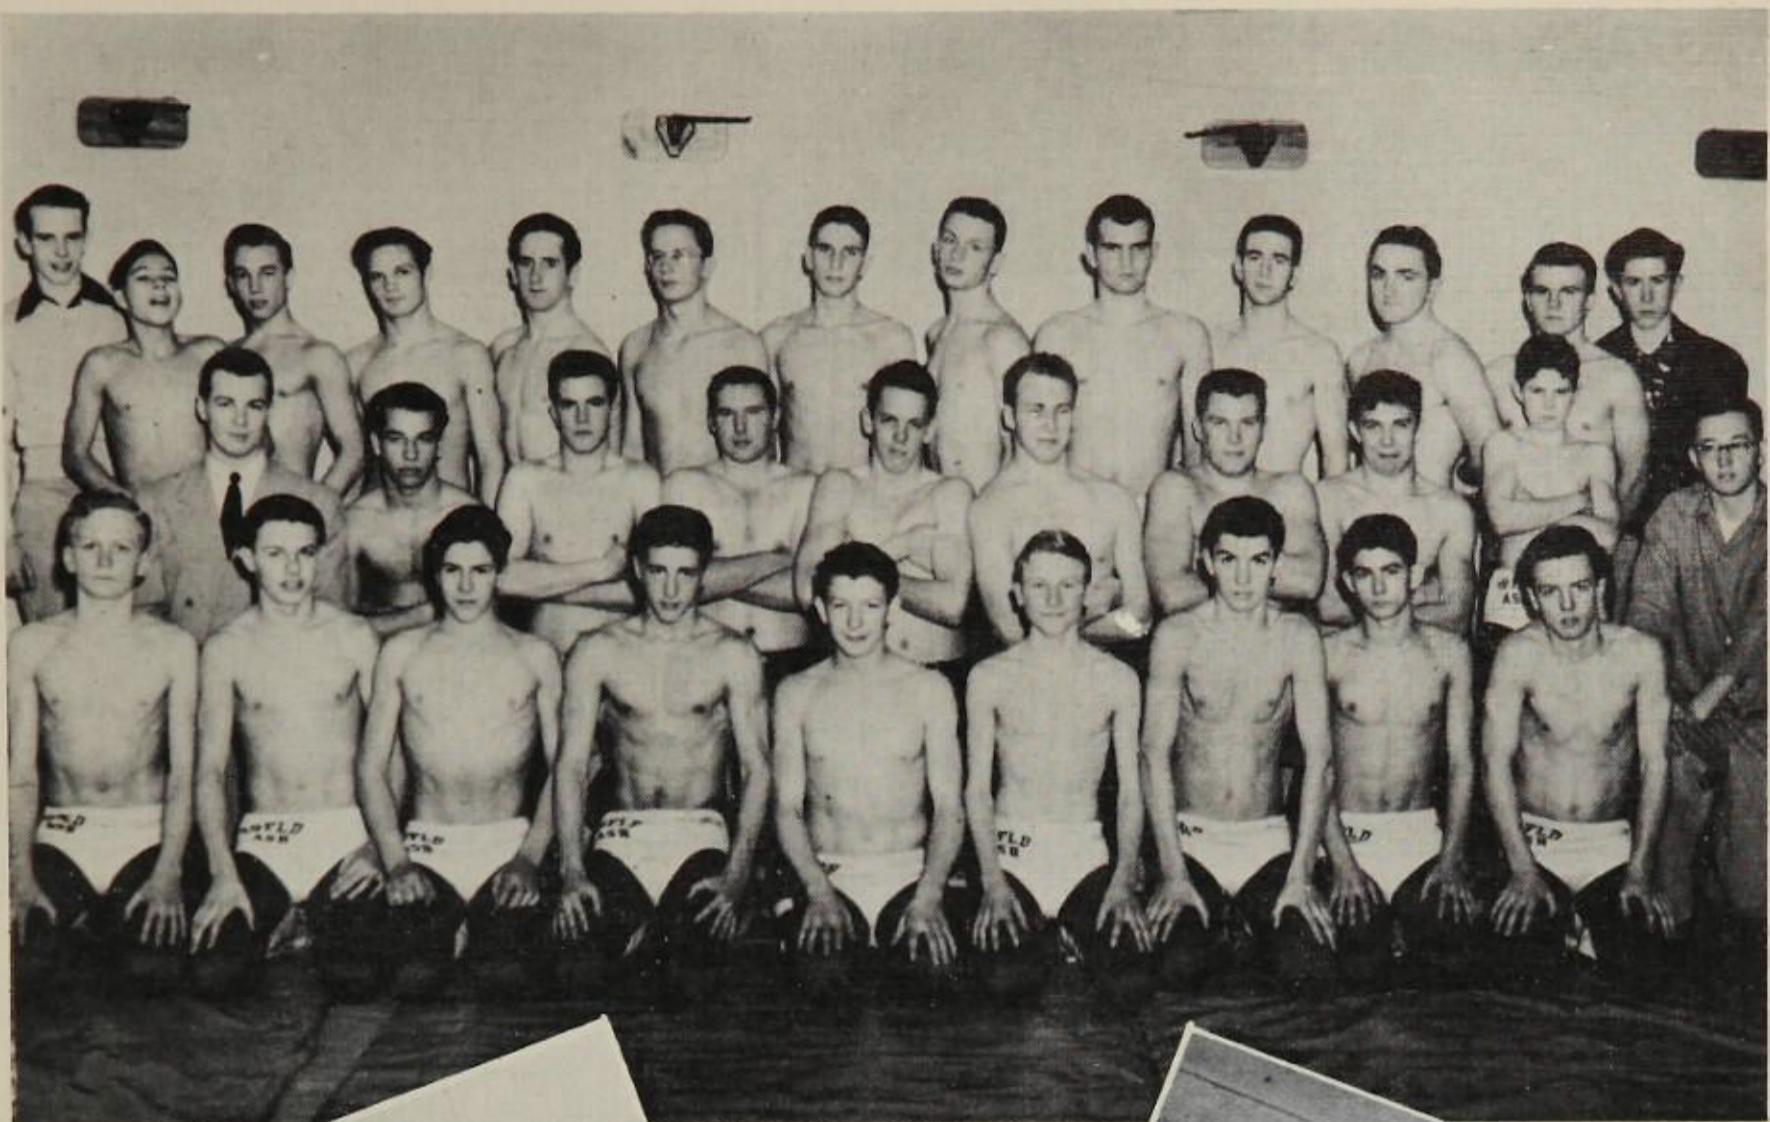

Freshman Basketball

THE FROSH BASKETBALL TEAM did not have nearly as successful a season as in the past few years. The main difficulty was lack of experience. Much improvement could be noticed by the end of the year, however, and some very good future varsity players may come from this squad in the next three years.

Miller Matmen

Although this was Coach Clingman's first year at Springfield, he has turned out a very successful team. He was well liked by all the wrestlers and did a very good job with this squad of mostly under-classmen. The squad sent eight men to the state tournament, placing Ken Kesey third and Walter Gossler and Ken McAdams sixth. The squad is young and very promising with sophomores Ken McAdams, Jim Miller and freshmen Joe Willis and Joe Kesey.

LEFT: Richard Nice, who has the best build on the team, did very well during his first year of wrestling. He took third in District 6 and went to the state meet. Dick wrestles in the 122 weight.

RIGHT, ABOVE: Paul Preppernau was one of the returning seniors. Although he didn't go to the state meet, he had a very successful season. Paul wrestles in the 168 weight.
RIGHT, BELOW: Dick "Spider" Fountain is a very elusive, well-trained wrestler. He also had quite a successful season, wrestling in the 122 weight.

LEFT: Ken Kesey, the "Hooded Terror", was perhaps just what the name indicates. Ken took third in District 6, first in Big Six, and third in State. He won 17 out of 20 matches during the season and wrestles in the 178 class.

Cinder Path Workouts

THIS WAS A YEAR of building for track. With the loss of Wayne Sabin, who placed 5th in the state 440 last spring, and Bill Dellinger, state mile and half-mile champion, the emphasis was on younger boys. Of the total of 90 boys who participated in track, 69 were freshmen and sophomores.

A factor that should help to improve interest in track was the completion of the new track and field. All equipment is now adequate for a good track program.

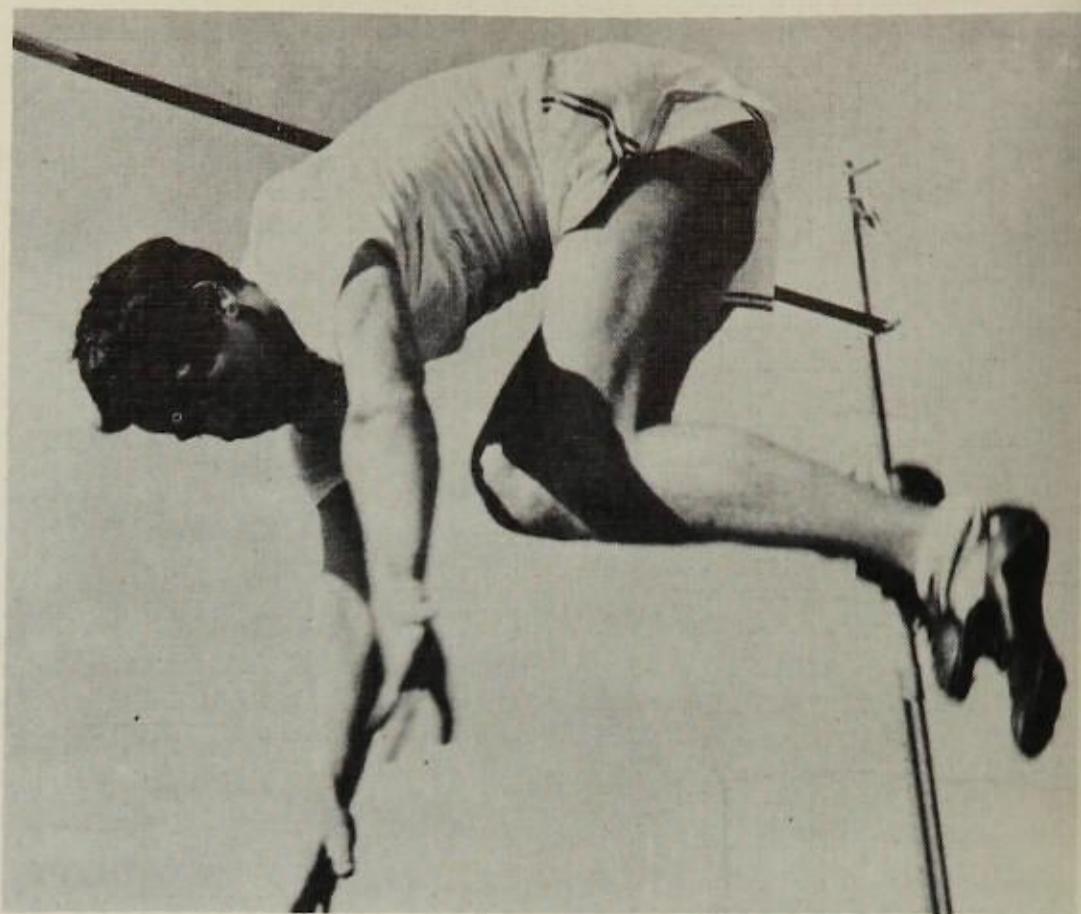

Those outstanding in getting points were Don Rose in the hurdles and high jump; Bob Brown in the 880 and javelin; Jack Heacock and Carl Sanders in the shotput; Gary Fisk in 440; Richard Nielsen in the broadjump; and Walt Gossler in the pole vault.

Don Rose clears the hurdles in the meet with Eugene and Cottage Grove.

SEVEN LETTERMEN formed the nucleus of the 1953 Miller nine who defended the district A-1 championship won last spring. The weather, however, played havoc with practice schedules, so that the squad was slow in rounding into shape. Three non-league games were played before this copy went to press, and of these games, the Millers won two and lost one.

The baseball team hoped to continue its good record. Of the last 36 games played, the Millers won 27 games. Much credit for a successful season went to Coach John Young and Assistant Coach Otis Clingman.

But Bog Down In Rain ...

The space above was reserved for action pictures of baseball games, but Pluvius played drastic tricks on the sports editor and photographer as well as the coaches and players. Since the rain insisted on playing an active part in the games, it is proper that it be given the space it so rudely demanded.

Vaughn Willoughby decided to let this one go for ball two.

Junior Varsity

THE JUNIOR VARSITY baseball team, composed of freshmen and sophomores, played eight games this year against other B-League teams. This team coached by "BoBo" Clingman, trains the boys to be varsity players in future years.

The Junior Varsity nine hopes to better last season's fine record of six wins against only two defeats.

Fresh-Soph

THIRTY-FIVE BOYS turned out for freshmen baseball this year. Because rainy weather limited the number of practice sessions, the team was slow in rounding into shape. There were two or three boys for each position, so competition was keen.

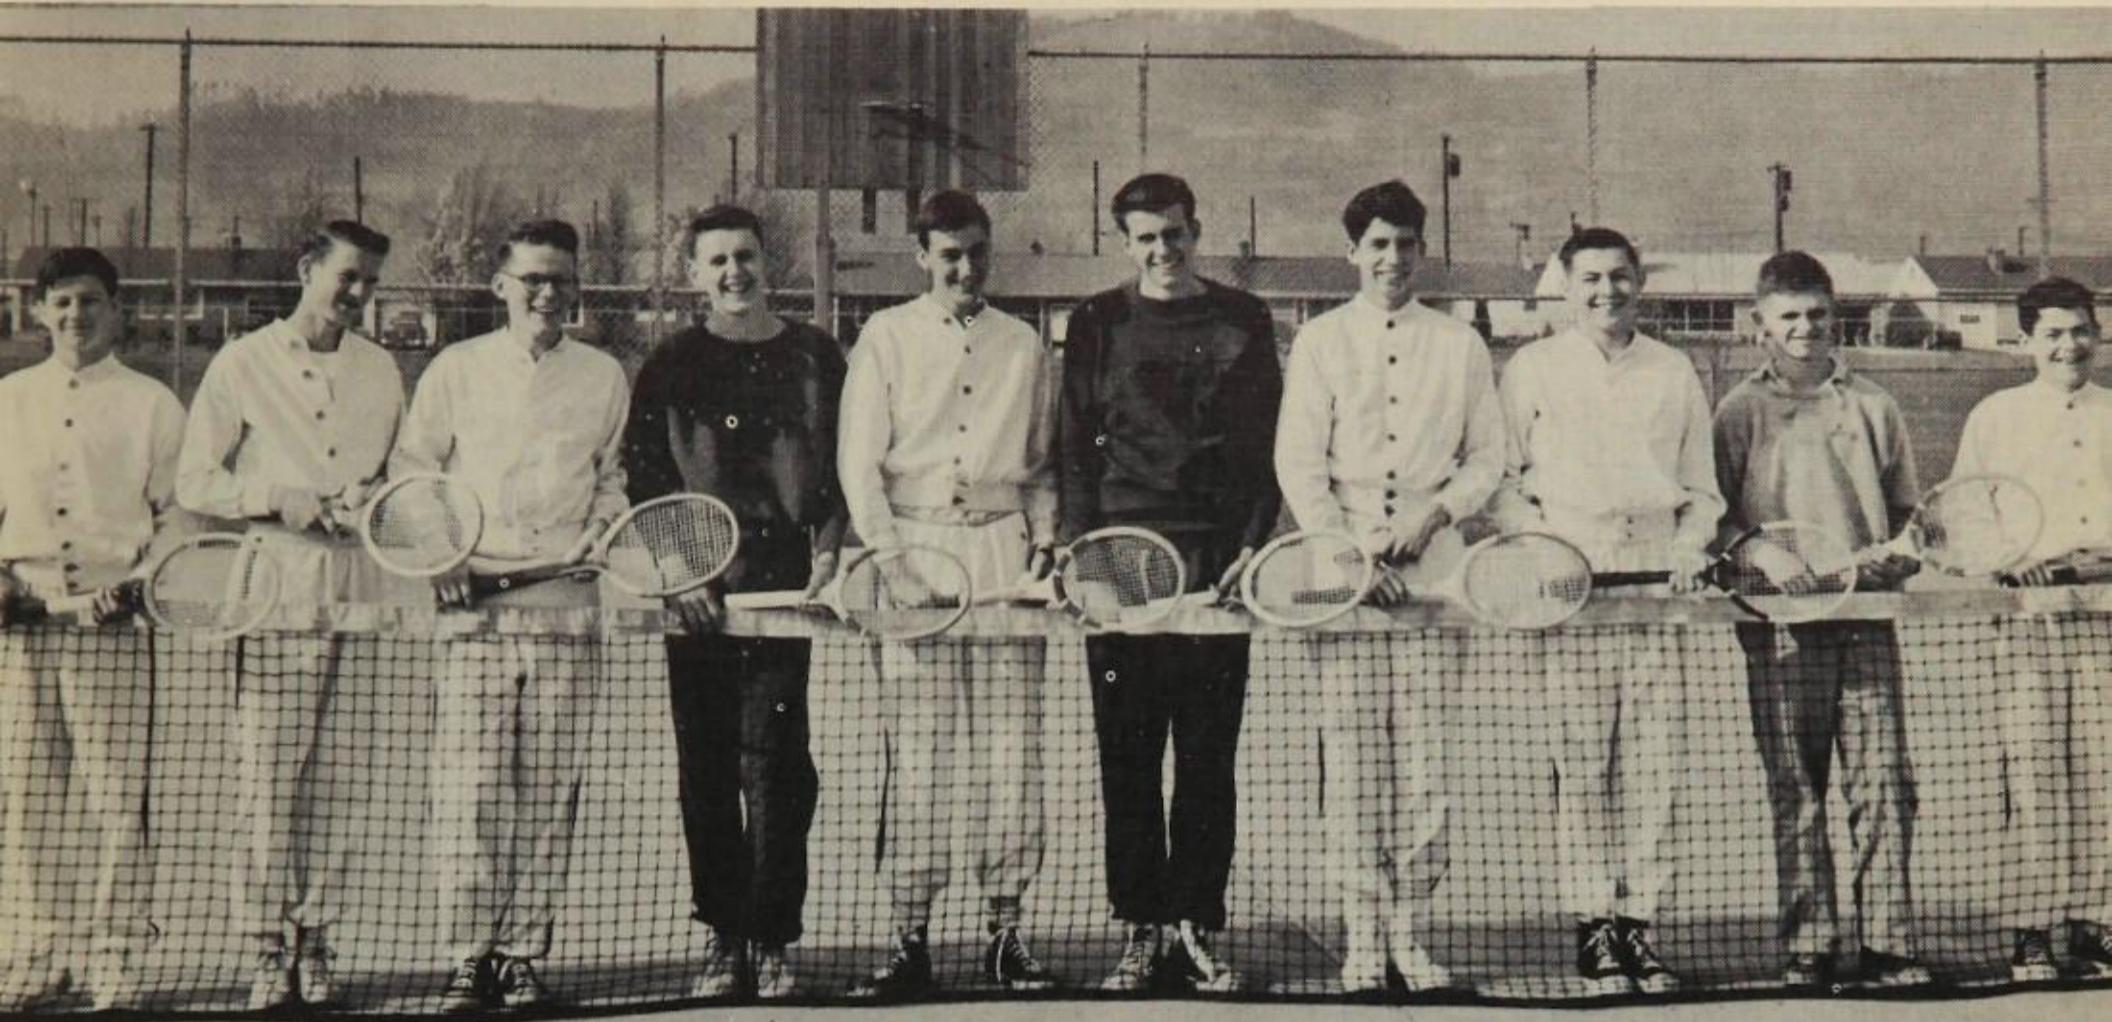

It appeared likely that as the season progressed, the team would be winning many games.

TENNIS is in the build-up stage at Springfield, and the fact that so many boys showed up for practice and a place on the squad was encouraging to Coach Whitbeck. It was also encouraging that none of the netmen will be lost by graduation this year. Matches were arranged with most of the schools in the area.

Alma Mater

Midst the many schools and colors
Old Springfield is the best
From the Cascades to the Pacific
She's the pride of all the West.

We will sing of all her heroes,
Her dauntless athletes too,
And cheer her ever onward
As we wave the white and blue.

With Old Glory rippling o'er her,
Our beloved High School stands,
And to keep that banner stainless
We will pledge our hearts and hands.

To our dear old Alma Mater
We're loyal and we're true,
And we're ne'er ashamed to own her,
And her colors white and blue.

When our high school days are over
In our leisure hours we'll long
For the old familiar voices
In a rousing high school song.

We will see the dear old school rooms
And our faithful friends so true,
And wish that we were back there
'Neath the colors white and blue.

Calico Capers

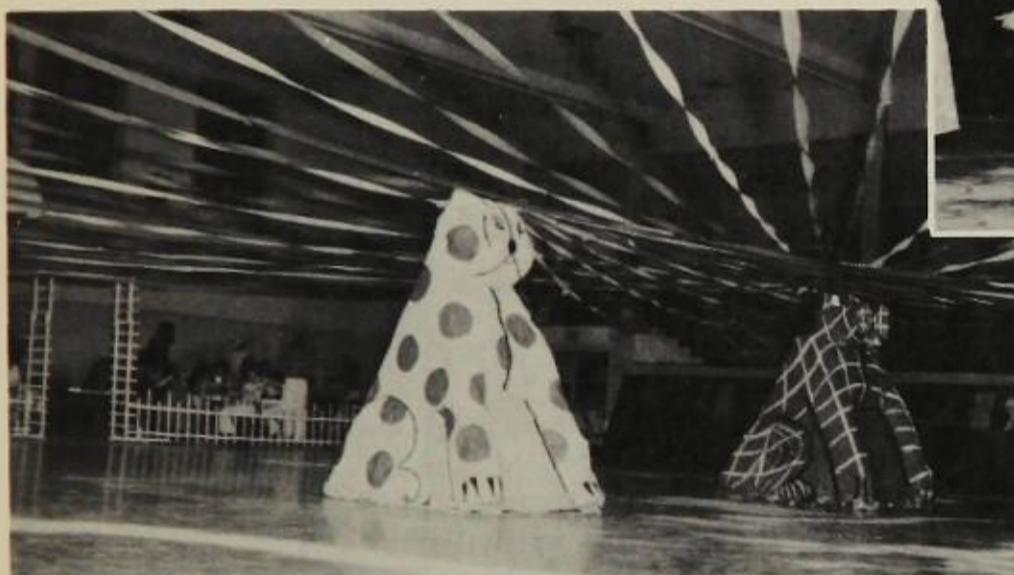

THIS YEAR the Print and Cord dance, sponsored jointly by the Boys' Alliance and Girls' League, was given the name of "Calico Capers." The decorations consisted of a calico cat and a gingham dog who helped preside over the festivities of the evening. Each year a king and queen are chosen by the students and teachers on the basis of attractiveness and appropriateness of the costumes worn by each couple. After the coronation ceremonies, presided over by the presidents of the two organizations, the students spent the evening dancing and playing games.

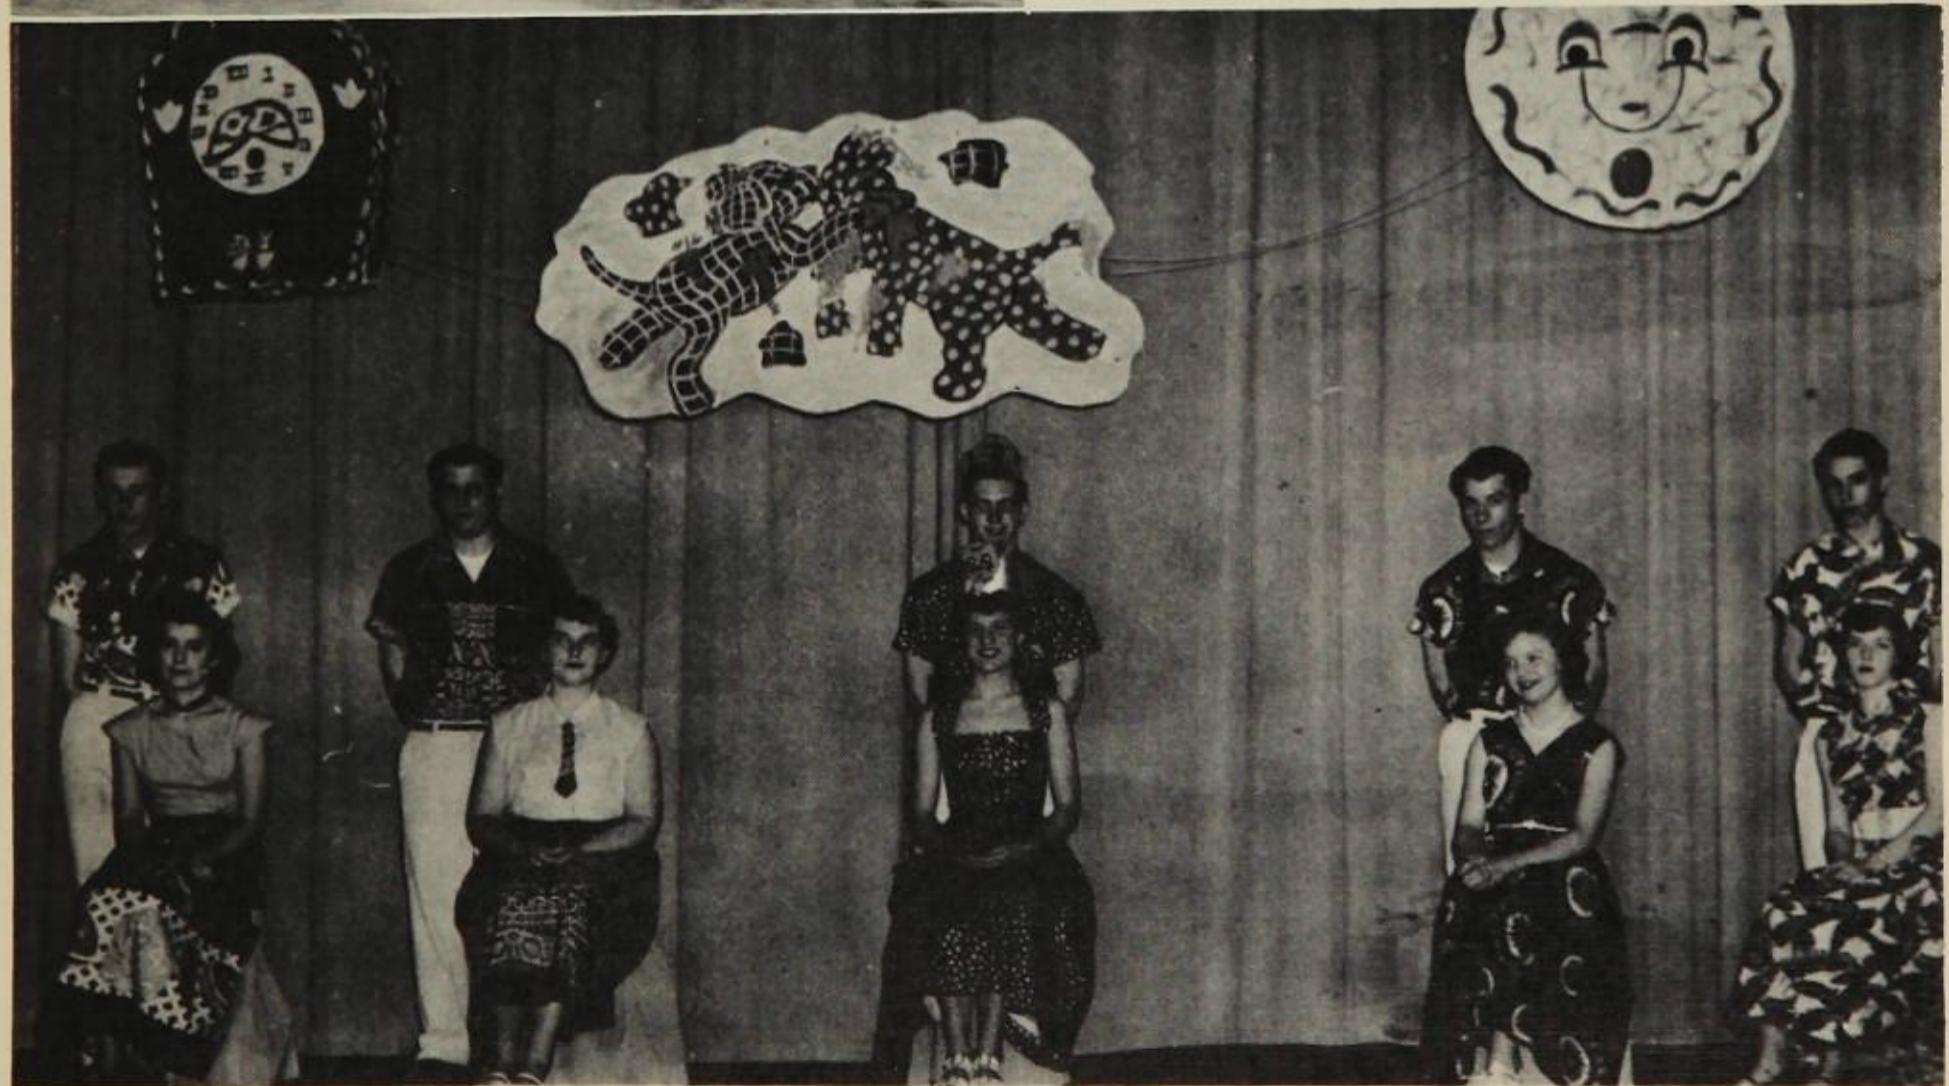

Everyone enjoys playing games and dancing at Calico Capers, the annual Print and Cord dance.

Fire Crew Vital for School Safety

THE FIRE CREW is a new service club, organized and sponsored this year by the "S" club. Carl Sanders was elected Fire Chief of the squad, with Tom Kirkpatrick and Gary Fisk serving as Assistant Chiefs.

The need of a better program for safety of students and school equipment in case of fire prompted the formation of the crew. During fire drills, the boys man the various fire stations, check lights, windows

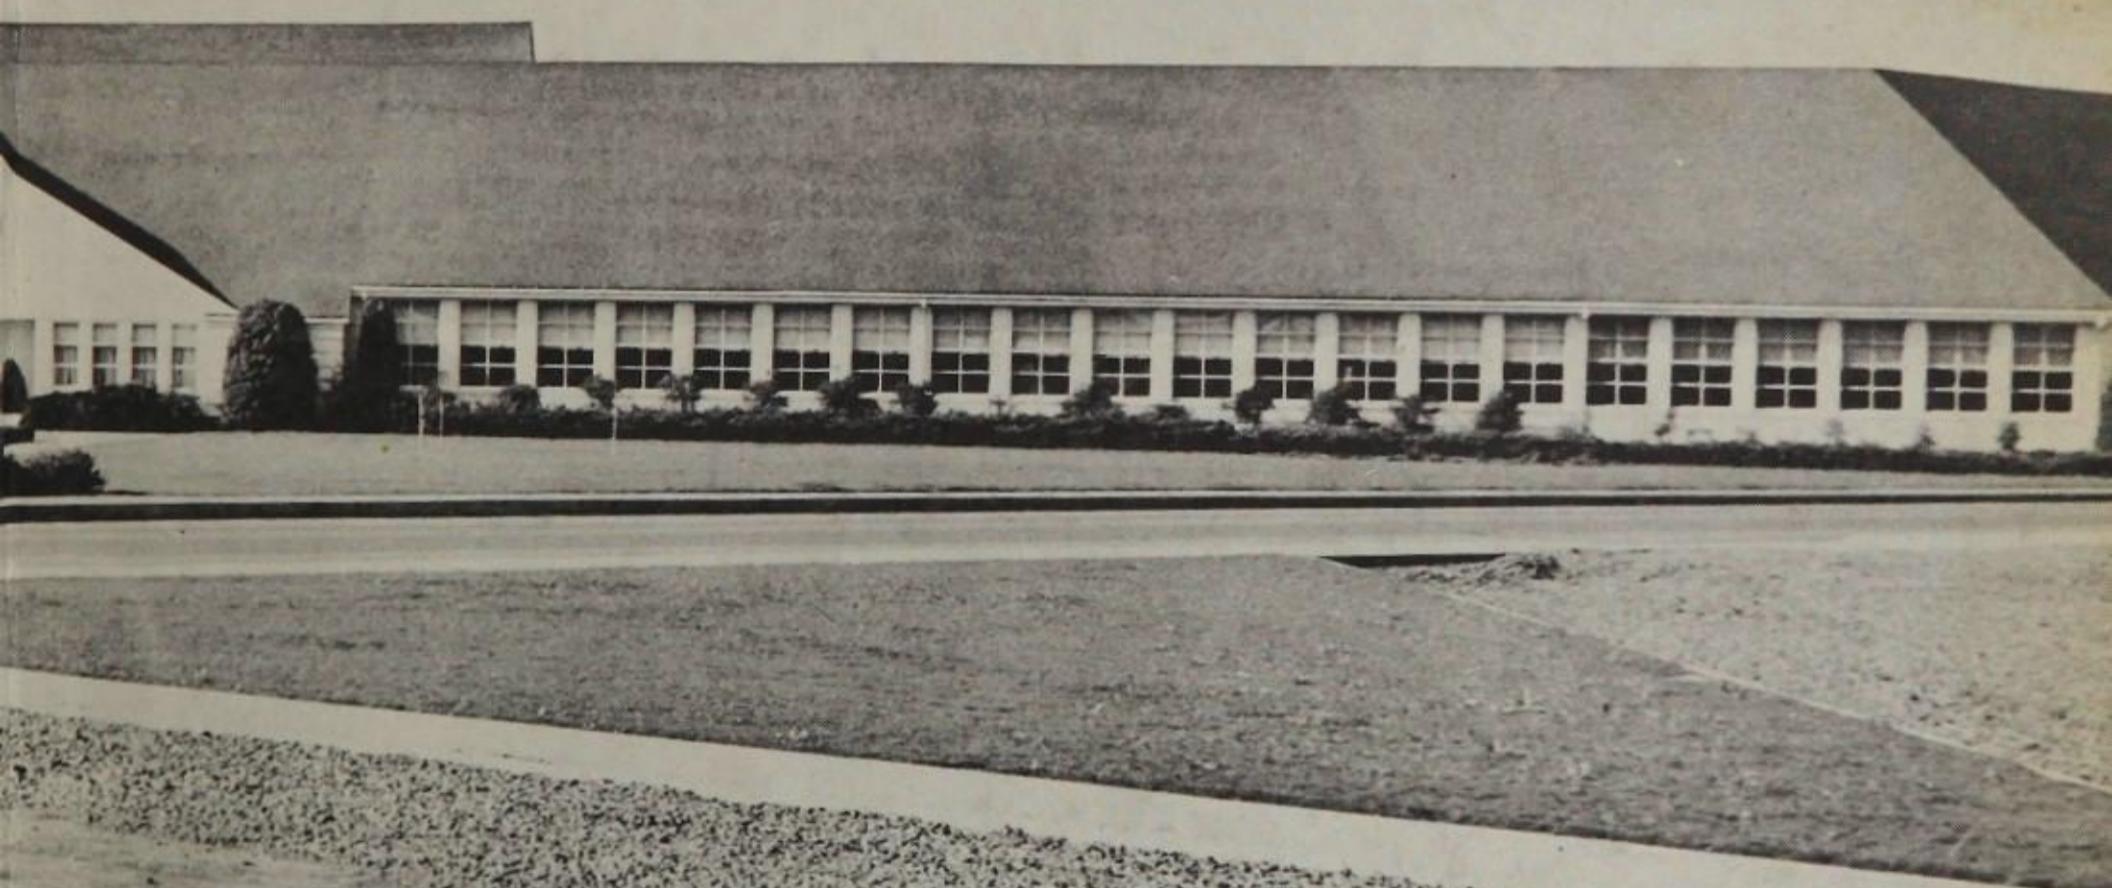

and doors, and give assistance to injured or ill students as they leave the buildings. The crew checks all fire-fighting apparatus to insure proper working order.

The Springfield Fire Department has aided the program by providing instruction on proper use of equipment and methods of controlling fires. The crew also cooperated with the Associated Council in Civil Defense drills.
